General

Deposits must be paid at the time of booking.

All new arrivals must register at reception before entering the park.

There is a 5mph speed limit which must be observed on the park

We do not accept large single sex groups. Small single sex groups (up to 4 people) may be accepted for camping only, but only with prior approval and not as part of a larger multiple booking.

All visitors are requested to be thoughtful and considerate to other holidaymakers.

Excessive noise is a major nuisance to many people so we do not permit the use of car stereo systems between 10pm and 9am. They are permitted in moderation at other times.

We reserve the right to ask anyone to leave the park if they are in breach of our conditions or are involved in unacceptable behaviour.

Visitors will be liable for any damage they cause to park property.

Trethiggey accepts no responsibility for personal injury or loss or damage to property and persons using the park facilities do so at their own risk.

Deposits are non refundable after seven days but are deducted from the balance of holiday bookings. We allow a seven working day "cooling off" period after you book, in which you can cancel and claim a refund.

All our prices are inclusive of VAT

We do not give refunds if you decide to cut short your holiday after you have arrived.

We do not give late cancellation refunds unless provided with written proof of a bereavement, injury or redundancy involving a member of a booked party. A letter from a GP or consultant is required in the case of injury or illness.

A holiday cancellation insurance policy plan is offered on request.

Pets are not permitted unless they are included at the time of booking.

Dogs must be kept on a lead on the park and they must not be left unattended at any time on park property. They are not allowed in the childrens play area.

In peak season all vehicles must display a "Trethiggey" window sticker, available from reception.

The proprietors reserve the right to refuse bookings.

Touring and camping

A £20 deposit is required to confirm a booking. For holidays in July and August the deposit is £20 with the balance payable 30 days prior to arrival. At other times the balance can be paid on arrival.

In peak season, (July and August) pitches are generally not available until 10.30am and must be vacated by 10am on the day of departure. Latest arrival time 10pm.

All tents, motor homes or caravans must be sited 6 metres apart to comply with fire regulations. A distance of 2 metres is acceptable for small tents when visitors are all members of the same party.

Pitches are large enough for an awning or gazebo – not both.

We accept a minimum of three night stays in early July and late August. From mid July to mid Aug it's a min of 6 nights

Holiday homes

Bookings are for families and couples only – not groups. Bookings are confirmed on receipt of a £50 per week deposit. **A £30 key deposit is payable with the final balance of the holiday, 30 days prior to arrival.** The key deposit is refunded in full within 5 days of departure if the holiday home is vacated in a clean and tidy condition with no breakages. The refund is paid directly into your bank account or by posted cheque. Liability for damage is not limited to £30.

Bookings are from 3pm on the day of arrival. Check-out time is 10.30am

We regret that we do not permit smoking in any of our holiday homes.

The number of people occupying a holiday home must not exceed the number booked.

Pets are not allowed in the majority of the holiday homes but we do have two vans where they are acceptable.

Pets are not allowed unless they are included at the time of booking. They must not be left unattended in the holiday homes at any time.

Gazebos are not permitted between holiday homes.

The proprietors reserve the right to enter holiday homes at any time for reasons of maintenance or security.
